

icEM2014 International Conference on Experimental Mechanics
in conjunction with
ACEM13 The 13th Asian Conference on Experimental Mechanics
Singapore · 15 - 17 November 2014

Call for Papers

We invite you to also propose and develop special sessions in Experimental Mechanics.
Papers will be published in SPIE Proceedings (SCI Indexed).

Abstract Deadline: **30th June 2014**

Conference Topics

1. Experimental Solid Mechanics
2. Experimental Fluid Mechanics
3. Non-Destructive Testing and Smart Structures
4. Micro and Nano-Mechanics
5. Biomechanics and Life Sciences
6. Structural Dynamics and Vibration
7. Optics and Laser Applications
8. Hybrid Methods and Image Processing

Plenary Speakers

Prof. Janice Barton

University of Southampton, UK

Prof. Anil Kishen

University of Toronto, Canada

Prof. Qifeng Yu

National University of Defence Technology, China

Organizing Committee

- A. Asundi, Nanyang Technological University (Co-Chair)
F. S. Chau, National University of Singapore (Co-Chair)
S. L. Toh, National University of Singapore (Secretary)
C. J. Tay, National University of Singapore, (Treasurer)
C. Quan, National University of Singapore, (Scientific Co-Chair)
K. Qian, Nanyang Technological University, (Scientific Co-Chair)
Y. Fu, Temasek Labs @ NTU (Publicity and Sponsorship)
